OFFICE OF LEGISLATIVE COUNSEL

Thursday - 16 December 1971

1. (Secret - JGO) Accompanied Mr. Dave Brandwein, FMSAC, to a meeting with Mr. George Murphy, Deputy Director, and Colonel Seymour Schwiller, Technical Consultant, Joint Committee on Atomic Energy, concerning the Soviet orbital satellite surveillance system. The meeting was friendly and low key. There are no followups.

2. (Secret - JGO) Received a call from Miss Mary McLaughlin, Senate Foreign Relations Committee staff, who requested the Committee transcripts of 2 May 1961 and 6 March 1962 for delivery to the Committee tomorrow for review by the "Pentagon Group." Miss McLaughlin reiterated that the transcripts will be retained in the main Committee room, S. 116, and can be picked up at the close of business.

3. (Confidential - JGO) After checking the record of Agency briefings for 1961-62, I called Miss Mary McLaughlin, Senate Foreign Relations Committee staff, and asked if she had checked the dates she had requested earlier in the afternoon. She had not. I told her that these were before there was an agreed Agency procedure for retention of transcripts. We had seen the transcripts at the time but our file notation for the 2 May 1961 transcript indicated that the original was retained by the Committee. I pointed out that these transcripts related to testimony concerning Cuba and the second, Francis Gary Powers, and asked if these topics were now to be included in the area of review by the "Pentagon people." Miss McLaughlin thanked me very much for the call and cancelled the request.

4. (Confidential - GLC) I checked with Mr. C. B. Morrison, on the staff of Senator Allen J. Ellender (D., La.), who informed me that the Senator is still planning to make his trip to Antarctica and confirmed that his return itinerary will include stops in Singapore, Colombo, Beirut, and Paris. 25X1C

6. (Confidential - GLC) Jim Woolsey, General Counsel, Senate Armed Services Committee, said he would be traveling to Japan for about 10 days early in January as a guest of the Japanese Economic Research Center. Woolsey asked if we could give him some background briefings on Japan, particularly self-defense forces and the economic/military situation. We are trying to arrange this some time next week with OCI.
